**Fall 2018**, we will provide licensed before and after school care, learning and fun at Grand View Elementary. Our childcare programs are safe, structured and positive allowing your student to grow, learn, create and develop friendships. The school focus is supported with experiential activities and crafts.

- Open to students 5 through 5<sup>th</sup> grade
- Explore games, activities, science, cooking, crafts & computer time
- Professional, individualized services with a teacher to student ratio of 1:15
- Enhances & reinforces skills learned at school
- Gentle transitioning from home to school & back again
- Build quality friendships
- Accommodates alternating schedules
- Provides healthy afternoon snacks
- Licensed childcare
